---

## PORTS OF CALL ON YOUR ITINERARY

**HALIFAX, NOVA SCOTIA:** Located on the shores of the world's second-largest natural harbor, the "City of Trees" adds to the pastoral beauty of Canada's maritime region. An extensive network of walking trails extends from the waterfront out to a series of beautiful parks and vibrant gardens, inviting exploration.

**SYDNEY, NOVA SCOTIA** lies on the coast of Cape Breton Island, which throughout history has served as a melting pot of sorts for the many immigrants who have arrived on Canadian shores, including Acadians, Eastern Europeans, Scotsmen, and Africans. Just outside the city environs lies a wealth of sightseeing possibilities, including nature walks and seafaring museums.

Nestled in the harbor of the same name, **CHARLOTTETOWN, PRINCE EDWARD ISLAND** exudes both a nautical charm and a Victorian sensibility, with a historic waterfront set against homes that retain much of their original personality. On the south shore of Prince Edward Island, Charlottetown's red soil adds to the area's natural beauty. No visit would be complete without sampling the local mussels, which are some of the best in the world.

**QUEBEC CITY, QUEBEC:** The sense of French provinciality still echoes off the walls of this old city—in the language, the cuisine and the architecture. Walk the cobblestone alleyways past stone houses, churches and cafés, and admire abandoned military fortifications that at one time helped to hold invading forces at bay.

**BAR HARBOR, MAINE:** The list of residents inhabiting this part of Mount Desert Island once read like a who's who of America's richest citizens — Rockefeller, Vanderbilt and Carnegie, to name a few. Now anyone can come and visit the adjacent Acadia National Park, which offers a network of hiking trails leading to some of the region's most breathtaking views of the Atlantic.

**PORTLAND, MAINE:** You'll love wandering along the cobblestone walkways and back alleys of the Old Port, browsing through galleries and other eclectic shops. Or, if you'd prefer, you can walk uphill toward the shops of Congress Street, gazing back at the islands of Casco Bay.

**BOSTON**, the capital of Massachusetts, is one of the most historic cities in North America and home to many of the USA's leading universities, including world-renowned Harvard in neighboring Cambridge. The abundance of historical sights, first-class museums and opportunities to take in a cross-section of cultural activities—music, art, theater and more—explain why Boston is one of the country's most popular tourist destinations.
