Teas

Assam TGFOP - From the Mikir Hills, an extension of the Great Himalyan Range, in Umrangshu. The blackish tea leaves, with golden tips, brew to a bright copper liquor with a sweet musty smell and a bold molty taste.

Darjeeling - The "champagne of teas". Slightly floral notes with a bright amber cup, delicious musk & honey-like after taste uniquely found in good quality Darjeeling.

Ti Kwan Yin Oolong - A semi-oxidized China Oolong. A fresh orchid flavor with a clean finish.

Green Honey Ginseng - Fine green tea from China, blended Panax Ginseng and subtly sweet honey, less than 1/4 the amount of caffeine found in a cup of coffee, makes this a very relaxing tea experience.

China Green Jasmine - Classic scented green tea from Fouzou Province with jasmine flowers.

Chamomile Lemon - A soothing blend of Chamomile flowers and Lemon Myrtle, enhanced with a gentle touch of Mandarin orange. Truly relaxing and enjoyable tea drinking experience.

Honeybush Organic - Contains an amazing array of health promoting benefits, just like its cousin Rooibos, only a bit naturally sweeter. Add to the fact that it is naturally caffeine free and you have everything you could want in a cup of tea.

Masala Chai - a warm and mysterious blend of authentic Chai from India. Fine black tea blended with cardamom, cloves, cinnamon, lemon, and orange peel, black peppercorn, ginger, and Madagascar vanilla.

Hot or Iced Vanilla Rooibos - We added the luscious taste of sweet clover honey to our already decadent Vanilla Rooibos and now it is a tea lover's dream come true.
